Step 2: Getting Informed

Creating my own opinion poll

OBJECTIVES

- Try creating your own opinion poll and analyse the data from it
- Think about the different limitations of polling and methodology

DESCRIPTION

- This activity is in three stages:
  - In the first session (1 hour) participants will create an opinion poll on a subject they care about
  - Between the two sessions participants will carry out the poll
  - In the second session (1 hour) participants will compile the data and analyse it

DURATION

2 x 50 mins
