Step 5: Getting Involved

Political organisations and getting involved: a challenge!

OBJECTIFS

Allow students to learn about the different ways that different organisations work and function.

DESCRIPTION

During this activity participants will come up with their own fun challenge in the form of questions and answers on different types of organised groups (trade unions/non-profit organisations/political parties). They will be able to dive deeper into the different organisations that allow us to act in the interests of a group on particular issues.

DURÉE

2 hours (or 2 x 50 minutes)
